FINANCIAL POLICY

Thank you for choosing us as your health care provider. We are committed to your treatment being successful. Please understand that payment of your bills is considered a part of your treatment. The following is a statement of our financial policy, which we require you to read, agree to, and sign prior to any treatment. Dr. Kakar and the providers of Dallas Sleep render only services that, in their professional judgment, are needed to provide quality medical care for you.

PAYMENT IS DUE AT THE TIME OF SERVICE

We accept cash, Discover, American Express, Visa, or Mastercard

REGARDING INSURANCE:

Our office is pleased to assist you in filing claims with your insurance company for reimbursement of your medical expenses with us.

- The patient is responsible to pay any deductible and co-payments prior to or at the time services are rendered.*
- It is your responsibility to know if a referral is necessary for your visit.*
- Any portion of a billed amount that is labeled "not allowed" or "not covered" will be the patient's responsibility. This is not the contractual obligation amount the physician will discount due to the practice's relationship with your insurance plan.*
- Our office NEVER guarantees that your insurance will pay, or that they will pay what they quoted our benefits team. We will make every attempt at the beginning of your health care to receive verification of your policy benefits. However, if for some reason your insurance claim is denied, you are responsible for the amount due on your account.*
- If your insurance has not processed and paid your claim within 6 months, you will be responsible for the balance on your account.*
- Your insurance is a contract between you and the insurance company. We are not party to that contract. While we have an agreement with the Plan to provide services, any questions regarding coverage must be resolved by you with your insurance company.*

USUAL AND CUSTOMARY RATES

Our practice is committed to providing the best treatment for our patients, and we charge what is usual and customary for our area. You are responsible for payment regardless of any insurance company's determination of usual and customary.

NSF CHECKS

All returned checks will assess a \$30.00 fee. All returned checks not paid in 15 days will be filed with the proper authorities.

Thank you for understanding our financial policy and the necessity of explaining this in writing to our patients. Please let us know if you have any questions or concerns.

I have read, understand, and agree to the provisions of this financial policy.
